

Robert R. Zimmermann

“Dr. Bob” Scholarship

ABOUT THE SCHOLARSHIP

To honor Bob’s life and work, his family has established a scholarship in his name at Delta College. The scholarship will support students who are 25 years or older, demonstrate financial need, and have a minimum 2.5 grade point average. **We’ve raised \$15,000 toward our goal of \$50,000.**

ABOUT BOB

Bob started at Delta in 1980 as director of a developmental disability program, then in 1988 he accepted a full-time teaching position in psychology. He found the teaching years at Delta College to be the finest years of his professional career. He retired from Delta in 1995. The scholarship is set up to help students like so many whose lives were touched by Dr. Bob.
